Hemp Project

The Tribe will work with DH Ventures, LLC and NMS Management, LLC to develop and operate a commercial processing and distribution plant. The plant will produce industrial hemp and hemp-based products for pain relief and such. Plans to open summer 2019 are still on schedule. The building exterior is almost complete, as seen below. The project will create up to 25 new jobs within the processing facility and cultivation process on Foley Field.

Tukwahone' Culture & Heritage Center

What was referred to as the Downtown Building has taken on a new and improved name: Tukwahone' Culture & Heritage Center. The movement is the result of the 2015 Economic Development Strategic Plan. The objective is to develop a place where artisans can create and display ware, small cultural events can be held, space provided for Tribal member businesses and the Tribal history and heritage can be displayed to visitors. There is a lot of work needed to reach the goal but we have made substantial progress which included logo creation and current window displays.

April 11th we invited the community to see the building as well as see future plans for the center. In keeping with the theme of providing space for vendors and artists we provided tables for people to set-up a booth and sell/display items. The event was a success and we look forward to the completion of the project.

The Economic Development Office works with BPT Foundation on this project as they are the building owners.

Nix Máycqi/Páchway/Kwláawit! Dv-laa-ha~
(Good Morning/Afternoon/Evening/Hello)

You, and any Native American middle school students (between the 5th and 8th grade) are invited to the 7th Annual University of Oregon's Youth Movement!

When: Friday, May 3, 2019. from 8:30am to 4:00pm (lv on Thurs, May 2nd)

Where: We will begin our day at the Many Nations Longhouse, on the University of Oregon campus in Eugene, and end at PK Park (UO Baseball stadium).

What's New This Year: We are able to provide a *limited* amount of hotel rooms for those that have to travel far. First preference is for tribes that have to travel 3+ hours (e.g. Umatilla, Burns Paiute, Yakama, etc.).

What is Youth Movement?

Our mission and goal for this event is to bring Native American youth in middle schools together from across the states of Oregon and Washington. We strive to celebrate culture, inspire them to further their education, and to make healthy lifestyle choices. We believe that when one generation realizes their potential, future generations are much stronger for it. The Youth Movement field day strives to enable the 7th generation to realize their potential as athletes, students, and community leaders. We want this day to be a celebration of the histories of the Northwest's Native American tribes while empowering our youth to build new friendships through sport!

Non-lead Ammunition Test Day

Give non-lead ammunition a try for FREE!

Attendees will have a chance to win a \$25 gift card to Sportsman's Warehouse

Hunters and Shooters: Why could this be important to you?

1. Non-lead ammunition is extremely effective: non-lead bullets offer great weight retention, consistent expansion, and exceptional accuracy for big game, or quick expansion and good fragmentation for furbearer or varmint hunting, all with no lead.
2. Lead Fragmentation & Weight Loss: Conventional lead bullets lose weight on the way through an animal, leaving lead behind in the remains, and increasing the risk of accidentally poisoning scavenging wildlife or bringing home unwanted fragments in the processed meat.

Where: Burns Butte Sportsman's Club

Directions: The Burns Butte Sportsman's range is located west of Hines. Take Hines Logging Road (NF Road 47) for 3.6 miles. The range will be on the right.

When: May 11th, 2019 from 10:00 am to 3:00 pm

A selection of non-lead ammunition from multiple manufacturers will be available for the following cartridges:

.17 HMR .22 Long Rifle .223 Remington 5.56 Nato .22-250 Remington .243 Winchester	.25-06 Remington 6.5 Creedmoor .270 Winchester 7mm Remington Mag 7mm-08 Remington .30-30 Winchester .308 Winchester	.30-06 Springfield .300 Winchester Mag .300 Winchester Short Mag .338 Winchester Mag .375 H & H Mag .45-70 Government
--	--	--

Hunters are invited to bring their firearms and current ammo to compare with non-lead options for accuracy. A special demonstration will also compare terminal performance of conventional lead hunting bullets and non-lead bullets in water barrels and ballistic gelatin. If planning a hunt this year, come test different non-lead ammunition and get ready for success!

Community Elder News:

Warm Springs is having their 30th Annual Honor Senior Day, May 10th, at the Warm Springs Agency Longhouse. The Culture & Heritage Dept would like to sponsor our elders who want to participate in this event. The Department will take the group on the **elder's bus on May 9th** and stay in Madras so you guys can be refreshed and ready for the events on May 10th.

***Please sign up with Language Program ASAP so we can get a head count on how many rooms to reserve, thanks.**

The C & H Department hired Keith Kennedy as the Youth Cultural Advocate Intern. One of the main objectives for this position is to assist our Eldest Elders (75 years young and over) in participating in Culture & Heritage related events and trips. Also, to assist them with project they need at their homes. He will be stopping by your homes and getting an idea of what you individually need the most help with this spring/summer.

Community Inspiration Grant

We will be having another CIG gathering this Sunday, April 28th @ 2:30p so please bring your families and come have some fun. The main goal of this grant is to bring storytelling & our Wadatika language back into our homes while teaching language, culture, morals, why things are the way they are, in our natural traditional way. If you don't remember any stories, or have any materials to

create costumes, puppets, etc., the language program will/can provide craft materials. You can do a skit/play with your family, friends, or just yourself if you would like. There will be elders at the gatherings to mentor & assist you with learning Paiute & help with your story if you want. We also have some stories that have been recorded and written from past community members. If you have questions/comments or need some help, please swing by the Wadatika Yaduan Nobi and we can help all we can. Next project dates:

- **April 28th @ 2:30pm @ GC**
- **May 5th & 26th @ 2:30pm @ GC**

Community Language Game Night

The next Game Night will be held on **May 14th @ 5:30p**. So, come on up and visit, laugh & learn in fun environment. **Remember to try and speak as much Wadatika yaduan at home with your family or even to yourself throughout the day. That is the only way you will get used of hearing it and speaking it.*

Boise Valley Gathering Meeting Update

April 19, 2019

Items discussed in this meeting held at Gowen Field with representatives from Sho-Ban Tribe; Ft. McDermitt Tribe; Burns Paiute Tribe; and representatives from the local Urban Indian Group (NACOB). Notes:

1. Two Non-Indian representatives from Hyde Park Mennonite Church have one cemetery that would be open for burial of Native People if it is the wishes of individual Indian families. Cemetery is called "Dry Creek Cemetery" next to the Idaho Veterans Cemetery. It is up to each Indian family on how it conducts burial for its family members.
2. **Lodging** at the Riverside Hotel in Boise: Deadline for applying for rooms is set for May 24th; the standard application form for the Boise Valley Gathering is attached and will need to be returned to Kenton Dick at the BVG meeting next week. Each Tribal group (5 Tribes) will be assigned 15 rooms for those in attendance; unfortunately the Hotel has only 4 handicap rooms; request will be made to the Motel for those Tribal members needing first floor access for disabled members; for those families wanting to pay for their own rooms – cost will be \$94 plus tax per night; we were reminded that all rooms from each group must be turned in by May 24th.
3. **BBQ** for Friday noon: Burns – provide condiments and 1 case of water; McDermitt – drinks and potato chips; Ft. Hall – Hotdogs and buns with 1 case of water; Sho-Pai – paper products and 1 case of water; and Warm Springs - ?; National Guard will do the cooking of hotdogs.
4. **Friday Dinner:** Burns and McDermitt will be cooking and providing the dinner at Gowen Field; cooking will be held in the Kitchen by the large Pavilion; Burns will be providing deer meat stew, with McDermitt thinking about ground squirrels; Indian biscuits will be made and shared; with fruits for dessert.
5. **Saturday Lunch:** Sho-Pai is supposed to provide ground-hogs but need to confirm with someone from the Tribe.
6. **Saturday Dinner:** Sho-Ban will be providing buffalo, potatoes, with corn on the cob; and Warm Springs is supposed to bring salmon but need to confirm because there are rumors of poor salmon run during this period.
7. **Re-naming of Quarry View Park and Castle Rock Reserve:** The City of Boise is in agreement in the name changing of Quarry View Park to Eagle Rock Park and Castle Rock Reserve to Chief Eagle Eye Reserve. The Reserve is State Land so will need permission from the State Lands to change the name but this request has a good chance of being approved.
8. **Drawing for design of Tee-Shirt:** We were shown a design of an eagle head with background of Eagle Rock Point; asked to add the photos of Tribal Elders from other designed tee-shirts and can be done. In the Boise Valley Gathering application – families attending must state their size and will be picked up at the registration table on Thursday and Friday. We will be sent 3 preliminary - Eagle design in 3 colored tee-shirts to consider for printing and distributing at the Gathering.

9. **Diane Teeman Presentation:** The groups were excited that a presentation will be given about the Burns Paiute Trail of Tears; presentation will be given on Friday at Gowen Field – Dining Room at 4:00 p.m.
10. **Walk and Run:** This will be held on Saturday morning at Quarry Park; table will be set up for registration of runners or walkers; walkers will walk up to Eagle Rock Point; runners will have two routes – one straight up to Table Rock, and the second route is running on the Green Belt (signs posted for the route); will have wrist bands – Eagle Rock Run; asking for donations from Tribal programs – fruits, water, granola bars, or something similar for the walk and run.
11. **Friday's Public Information Booth:** Each Tribal Group can set-up Gazeboes to share Tribal information with the general public; the Burns Coordinator would like to have programs information about your programs, or other donations to share or give-away at this gathering.
12. **Tule Ducks:** Our Burns Group was asked to instruct on how to make tule ducks. Sonya Dick was the last instructor but can't do it this year. Is there anyone from the community that would be interested in being the instructor in making tule ducks. If there are other Tribal members wanting to do a demonstration project, just let me know and I will share with the other Tribes.
13. **Special Invitation:** As the Burns Coordinator, I am making a special invitation to the Tribal Youth Leadership Council to participate in this year's Boise Valley Gathering activities. You will be learning Tribal stories from the Tribes that have participated in this gathering for many generations, learning how to cook for a large group of Indians, participating in games on Saturday afternoon, and if interested, teaching other Indians about making Tule ducks. Every morning there is a Sunrise Ceremony done in the Traditional Way for generations. You can even share your own Indian song, or do a drum song on Saturday evening.
14. **Give-Away to Special Persons:** We have identified four individuals who continue to support this event over the past years. We will be giving-away three Pendleton blankets, and one beaded coin purse.
15. **Individual Tribal Family History:** One large room has been reserved at the Hotel for those families wanting to their family tree with other families. This segment will be on Thursday evening and you can set up at Quarry Park on Friday morning 10:00 a.m. thru 3:00 p.m.
16. **Needing transportation:** If you need a ride, please state on the BVG registration form requesting transportation to Boise.
17. **Next Boise Valley Meeting:** We will be meeting at 12 noon at the Riverside Hotel on May 17th. We are planning to check on rooms, outdoor swimming pool, meeting rooms, and other accommodations of the Motel.

Registration forms have been placed in the Tribal Newsletter for those families wanting to participate in the Return of the Boise Valley Gathering on June 13th thru June 16th, 2019. Reminder, registration deadline is set for May 24th.
